REPORT OF THE SECRETARY

SANJAY PATEL

Hon. Secretary, BCCI

The year under review has been extremely challenging from the administrative viewpoint. However, the Office-Bearers, with the support of members and stakeholders, ensured that Indian cricket continued to flourish.

The Supreme Court of India accepted the offer of Shri. N. Srinivasan to step aside till the Enquiry by the M. Mudgal Committee was completed. The Hon. Supreme Court appointed Shri. Sunil Gavaskar as the Interim President to look after the seventh season of the IPL. Shri. Shivlal Yadav was appointed Interim President to look after the day-to-day working of the BCCI. We are grateful to Shri. Gavaskar for running the IPL. Shri. Yadav has been of great help in the day-to-day functioning. However, I must admit that we missed the guidance of our President, Shri. N. Srinivasan.

It was heartening to see Shri. Narendra Modiji, President of the Gujarat Cricket Association, taking oath as the Prime Minister of India. We were also delighted to see Shri. Arun Jaitleyji, a senior administrator of the Board, handling the all-important portfolios of Defence and Finance in the Union Government.

The 2013-14 season will always be remembered, as it marked the end – and the beginning – of an era. On 16 November 2013, Sachin Ramesh Tendulkar retired from international cricket. He was only sixteen when he made his international debut on India's tour of Pakistan in 1989-90. 24 glorious years later, most of the records that matter, in Test cricket and One-Day Internationals, were his. He was India's best batsman in the 1990s. In the new millennium, he was the senior statesman, mentor and premier player in an outfit that took it upon itself to improve India's record in Test cricket on foreign soil. Most importantly, he convinced more than one generation of youngsters, not only in India but overseas as well, that adherence to the five Ds – Dedication, Discipline, Determination, Devotion and Desire – not to mention a relentless pursuit of perfection, would guarantee success in their chosen profession.

It was a proud moment for us when the Government of India honoured Sachin with the "Bharat Ratna," the country's highest civilian award.

The band of young cricketers whom Sachin and his contemporaries had inspired, produced some unforgettable cricket on India's tours of South Africa and New Zealand. Both Test series were lost, but India could have easily drawn level with a little bit of luck. The team was in brilliant nick in the ICC World T20, played in Bangladesh, finishing second.

The tour of England was a disappointment, as far as the Test series was concerned. The boys were outstanding in the second Test at Lord's, but they were outplayed in the next three games. However, they displayed admirable pluck and resilience to come back strongly in the ODI series that followed. The 3-1 win was India's first in a bilateral ODI series in England, since 1990.

The National women's team played well on a short tour of England, winning a one-off Test match. The India 'A' and Under-19 sides had their moments, with the 'A' side doing well against New Zealand 'A' at home, and winning a Quadrangular limited-overs series in Australia.

The Under-19 team won the Asia Cup, but failed to make an impression in the ICC U-19 Cricket World Cup. That does not take anything away from the boys. We are fortunate that several talented youngsters are waiting in the wings. They have it in them to serve the country with distinction for a long time.

The seventh season of the Indian Premier League was a challenge, to say the least. The schedule clashed with the 2014 General Elections, and hence there was no option but to play a few matches overseas. We found a second home in the United Arab Emirates. The Emirates Cricket Board, and of course, the sports-loving public, went out of their way to make the teams comfortable. The first twenty matches of the tournament were played to packed houses in the UAE, after which the League returned home. The second leg was also a success, with huge spectator turnouts for the matches. On behalf of the Board, I thank the administrators and supporters in the UAE and India for their affection and support.

I am grateful to my colleagues in the Board for their whole-hearted support in steering the BCCI in difficult times.

The BCCI staff has worked hard and displayed exemplary professionalism throughout the year, and I have no doubt that they will continue to do a fine job, in the years to come.

We are pleased to present the Annual Report of Activities of the Board for the 2013-14 season.

MR. N. SRINIVASAN IS CHAIRMAN, ICC

Mr. N. Srinivasan was confirmed as the Chairman of the International Cricket Council (ICC) after the 52-member Full Council approved amendments to the ICC's Memorandum and Articles of Association at the ICC Annual Conference, held in Melbourne, on 26 June 2014.

Mr. Srinivasan, who was nominated by the Board of Control for Cricket in India (BCCI) for the top position, assumed charge following the conclusion of the ICC Annual Conference week. He is the first-ever Chairman of the ICC, following the constitutional changes.

Cricket has been Mr. Srinivasan's passion. He has promoted cricket and cricketers in his capacity as Managing Director of India Cements. The company has provided employment to several cricketers, many of whom have gone on to represent India.

Mr. Srinivasan commenced his innings as a Cricket Administrator in 2001-02, when he became President of the Tamil Nadu Cricket Association, one of the affiliated units

of the BCCI. He has held that post till date. He went on to be the Hon. Treasurer of the BCCI from 2005-06 to 2007-08, and served as Hon. Secretary of the BCCI from 2008-09 to 2010-11. He took over as President of the BCCI in 2011-12.

As BCCI President, he paid a tribute to former cricketers, the likes of which is unparalleled in history. In 2012, a one-time benefit payment was made to international and first-class cricketers who retired before 2004, in recognition of their services to Indian cricket. More than Rs. 100 crores were distributed among 174 cricketers. This included the widows of deceased Test cricketers.

He played a pivotal role in creating and developing cricketing infrastructure across India, over the past few years. The member-units of the BCCI have been helped and encouraged in this regard. Special emphasis has been placed on the acquisition of qualified coaches, physiotherapists and trainers, and the creation of a pathway to train and nurture match officials.

As many as four state-of-the-art Indian stadia made their international 'debuts' in the 2012-13 season, under Mr. Srinivasan's President-ship. Rajkot, Ranchi and Dharamshala hosted ODIs, and Pune staged a T20 International. Chhattisgarh State Cricket Sangh, one of the Associate members of the BCCI, hosted two IPL matches in 2013.

Mr. Srinivasan has represented the BCCI in the Executive Board of the ICC, and has been instrumental in bringing about significant changes in the governance and administrative policies of the ICC. He has been a part of the Finance and Commercial Affairs Committee (F&CA) of the ICC.

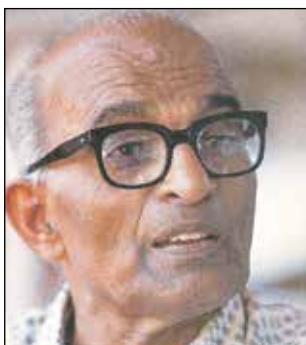

He was President of the Asian Cricket Council from 2012 to 2014, and is presently a member of the ACC Executive Board, and Chairman of the ACC Finance and Marketing Committee.

The ICC Annual Conference, Melbourne, June 2014.

MEN'S - INTERNATIONAL

INDIA V AUSTRALIA (one T20I and seven ODIs)

STARSPORTS.COM T20 CUP

One-off T20 International - 10 October 2013

India beat Australia by six wickets in the one-off T20 International, played at Rajkot. Asked to bat, Australia scored 201-7, with Aaron Finch top-scoring with 89. The hosts then batted splendidly, to overhaul the target with two deliveries to spare. Yuvraj Singh was the best performer, with an unbeaten 77 off only 35 balls.

STAR SPORTS ODI Series

13 October 2013 – 2 November 2013

The seven-match series witnessed some incredible batting.

Australia dominated the first game at Pune. Skipper George Bailey and Aaron Finch ensured that the visitors scored 304-8. India were then bowled out for 232. The hosts drew level in the second encounter at Jaipur. Australia batted first and scored a mammoth 359-5. India counterattacked with a 176-run stand between the openers Shikhar Dhawan and Rohit Sharma, at more than a run-a-ball. When Dhawan fell for 95, Virat Kohli maintained the attack. India completed a nine-wicket triumph in the 44th over, with Kohli on 100, and Sharma undefeated on 141. Kohli's hundred, which took him only 52 deliveries to score, was the fastest by an Indian in ODIs. It was the second-highest successful chase in ODI history, after South Africa's pursuit of 434 against Australia at Johannesburg in 2005-06.

The highlight of India's 303-9 in the third game at Mohali was an unbeaten 139 by Mahendra Singh Dhoni. The skipper came in at 76-4, and essayed a gem of a knock. Finch, Bailey and Adam Voges displayed positive intent against the Indian bowling, but the home team appeared to be in control when the 48th over commenced, with the visitors needing 44. James Faulkner then launched an extraordinary assault wherein he took thirty runs off six balls. Australia achieved the target off the third ball of the last over.

The next two games, at Ranchi and Cuttack respectively, were ruined by rain, and the teams proceeded to Nagpur with the visitors leading 2-1. Put in to bat at the VCA Stadium, Australia scored 350-6, with Shane Watson and Bailey scoring hundreds. India started with a 178-run association between Dhawan and Sharma. After Sharma fell for 79, Kohli came in for an encore of his Jaipur performance, with a hundred that took him only 61 balls to complete. Dhawan fell for a round ton. India won with three deliveries to spare.

Rohit Sharma created history in the decider at Bengaluru, by becoming only the third batsman and Indian to score a double century in an ODI. His 209 featured twelve boundaries, and a record sixteen sixes. India amassed 383-6.

The match seemed headed for an early finish when the sixth Australian wicket fell at 138. However, James Faulkner counterattacked, in the company of first Watson and then Clint McKay, with whom he added 115 for the ninth wicket. The improbable seemed possible, when McKay fell at the end of the 45th over. At that stage, Australia needed 58 off five overs. However, in going for a big hit off the first ball of the next over, Faulkner was caught in the deep. He had batted only 73 balls for his 116. India thus won the series 3-2.

INDIA V WEST INDIES

STAR SPORTS Test Series

Kolkata - 6 November - 8 November 2013

Mumbai - 14 November - 16 November 2013

India won both the matches by handsome margins, inside three days.

Sachin Tendulkar's swansong apart, the highlight of the two-Test tussle was the performance of two debutants. Rohit Sharma sparkled with the bat, scoring centuries in his first two innings in Test cricket, and Mohammed Shami was outstanding with the ball, taking nine wickets at Kolkata. Pragyan Ojha took 10-89 at Mumbai.

Darren Sammy, the Windies Test skipper, won the toss in the first Test at Kolkata, and opted to bat. Marlon Samuels was the visitors' lone half-centurion, as they were dismissed for 234. Off-spinner Shane Shillingford then led a fightback, and with India 83-5, it was anybody's game. Dhoni and Rohit Sharma then added 73 before the captain fell. He was replaced by R. Ashwin, and a magnificent partnership ensued. Ashwin and Sharma added 280 for the seventh wicket, with the latter going on to become the 14th Indian to score a hundred on his Test debut. He scored 177, and Ashwin got 124, his second ton in Tests. India reached 453, and the West Indies were bowled out in their second innings for 168, with paceman Mohammed Shami picking his first 'five-for' in only his second innings in Test cricket.

Pragyan Ojha took 10-89 at Mumbai.

At Mumbai, Dhoni won the toss and put the opposition in. The West Indies began well, only to stumble from 86-1 to 182 all out. Ashwin took three wickets, and Ojha bagged 5-40. India's response and Sharma scoring overshadowed by maestro batted inclusive of twelve caught at slip.

Trailing by 313, the West Indies were bowled out for 187, with Ojha taking his second 'five-for' of the game. Keeper-batsman Denesh Ramdin top-scored with 53. The match and series ended with the members of both sides and a capacity crowd, not to mention millions of TV viewers across the globe, bidding an emotional farewell to one of the greatest cricketers of all time.

STAR PLUS ODI Series

21 November – 27 November 2013

India won the first ODI, played at Kochi, by six wickets. The West Indies, who were led in the ODIs by Dwayne Bravo, won the toss and batted, but they were bowled out for an unimpressive 211. Ravindra Jadeja and Suresh Raina picked up three wickets each. Rohit Sharma and Virat Kohli scored fifties, as the hosts overhauled the target with nearly fifteen overs to spare.

The visitors played some exhilarating cricket in the second ODI at Visakhapatnam. Kohli top-scored with 99, and Dhoni got a belligerent 51, as India ran up a total of 288-7. Kieran Powell (59) and Darren Bravo (50) kept the scoreboard ticking in the middle overs, ensuring that the required rate did not get out of hand. Lendl Simmons (62) and Darren Sammy maintained the pressure on the Indian bowling. Simmons fell at the wrong time from his team's point of view, with 22 still needed from three overs. Jason Holder and Sunil Narine fell in the penultimate over, but the visitors got home with two wickets and three deliveries to spare. Sammy who took his team through, remained unbeaten on 63 off 45 balls.

The visitors carried their confidence into the decider at Kanpur, scoring 263-5 after being put in. Powell, Samuels and Darren Bravo scored fifties, and Sammy got a brisk 37 in the final stages. India lost Sharma early, but Shikhar Dhawan was at his best. Yuvraj Singh came in at 61-2, and Dhawan and he added 129 for the third wicket. Dhawan was fourth out at 218, for a brilliant 115, his sixth international ton of the calendar year. Raina and Dhoni then took over. India completed a comfortable win, with five wickets in hand.

INDIA'S TOUR OF SOUTH AFRICA

ODI Series:

Johannesburg – 5 December 2013
Durban – 8 December 2013
Centurion – 11 December 2013

South Africa won the series 2-0. Asked to bat in the inaugural game at Johannesburg, the hosts amassed 358-4, and then bowled India out for 217. Dale Steyn took 3-25. Put in to bat again in the second ODI at Durban, the hosts scored 280-6. India were dismissed for 146, in response. South Africa scored 301-8 from their allotted overs in the final game, played at Centurion, before the rain intervened. The hosts' player of the series was the wicketkeeper-opener Quinton de Kock, who scored three consecutive hundreds.

Test Series:

Johannesburg – 18 December – 22 December 2013
Durban – 26 December – 29 December 2013

The first Test was a classic.

India were 25-2 in the first innings, when Cheteshwar Pujara was joined by India's new no. 4, Virat Kohli. The Delhi batsman proceeded to handle South Africa's pace attack of Steyn, Vernon Philander and Morne Morkel, with aplomb, and scored 119. Pujara was unlucky to be run out on 25, and Ajinkya Rahane got 47. However, the other batsmen failed, and India finished with 280. South Africa were 130-1 in response, when Ishant Sharma and Mohammed Shami engineered a collapse. The hosts tumbled to 146-6,

and it was only a sound 59 by Philander that enabled them to reach 244.

The cornerstone of India's second innings was a second-wicket stand of 70 between Murali Vijay and Pujara. Vijay's dismissal for 39, brought Kohli to the crease. A splendid partnership of 222 ensued, between Pujara (153) and Kohli (96). Pujara's hundred was his first overseas. India were all out for 421, which meant that the Proteas needed 458 to win, in four-and-a-half sessions.

They were 138-2 at stumps on the fourth day. Peterson's dismissal on the fifth morning, without adding to his overnight score of 76, delighted the Indians and their supporters. Jacques Kallis scored a fluent 34 before becoming Zaheer Khan's 300th Test victim.

AB de Villiers and Faf du Plessis then produced an extraordinary partnership. The persistence of the Indian bowlers was rewarded when de Villiers inside-edged Ishant Sharma onto his stumps. The score was 402-5 at that stage. J.P. Duminy departed soon after, but Philander was assertive. He and du Plessis brought South Africa to within sixteen runs of victory, with over three overs left. The batsmen then went for a quick single, and de Plessis was beaten by Rahane's direct throw at the non-striker's end. That prompted the hosts to put the shutters down, and they eventually finished eight runs short of the target.

The hosts won the second Test at Durban. Dhoni won the toss for the

second time in the series, and elected to bat. Murali Vijay and Pujara were batting well, when Dale Steyn triggered a turnaround by dismissing both in quick succession, and castling Rohit Sharma first ball, to reduce the visitors to 199-4 from a healthy 198-1. The Indian lower order struggled and the innings ended at 334.

South Africa batted splendidly, in response. Leading the way was Jacques Kallis, who scored 115 in his last Test. The hosts totalled 500. Ravindra Jadeja was India's best bowler, with figures of 6-138.

India were bowled out for 223 in the second innings. Their best batsman was Ajinkya Rahane, who was last out for 96. South Africa overhauled the target of 58 without loss.

Ravindra Jadeja bagged his second 'five-for' in Tests, at Durban.

INDIA'S TOUR OF NEW ZEALAND

ODI Series:

19 January – 31 January 2014

Ravindra Jadeja attacks during the course of his exhilarating knock in the third ODI.

Test Series:

Auckland – 6 February – 9 February 2014

Wellington – 14 February – 18 February 2014

Both the Tests were riveting contests.

When the New Zealand openers commenced their side's second innings in the first Test, all the pressure was on India. The visitors had been bowled out for 202, in response to the hosts' 503. The Indian pacemen dismissed the hosts for 105. Mohammed Shami and Ishant Sharma took three wickets each, and Zaheer Khan bagged two. India had more than two days, in which to score 407 to win.

Shikhar Dhawan and Virat Kohli came together at 96-2, and put India in the driver's seat. They had added 116 when Kohli nicked Neil Wagner to wicketkeeper Bradley-John Watling, and was out for 67. The dismissal proved to be the turning point. The New Zealand bowlers came back strongly, preventing another partnership from developing. Their perseverance paid off when Dhawan was the fourth to fall, at 248. He had scored 115, his second Test hundred. Rohit Sharma and Ajinkya Rahane could not make a mark, but a lower-order flourish was provided by M.S. Dhoni and Ravindra Jadeja. Jadeja fell for a rapid 26, and Dhoni inside-edged Wagner onto his stumps, even as he tried to shield the tail-enders from the striker's end. India were all out for 366, losing by 40 runs.

Dhoni's decision to field first in the second Test at Wellington, was a masterstroke. Mohammed Shami took 4-70 and Ishant Sharma 6-51, as the hosts were dismissed for 192. Dhawan and Rahane batted brilliantly for India. Dhawan was unlucky to fall on 98. Rahane completed his maiden Test hundred, and Dhoni got 68. India finished with a lead of 246.

New Zealand won the series 4-0. India scored 268 in response to New Zealand's 292-7, in the first game, at Napier. Virat Kohli's 123 went in vain. At Hamilton in the second ODI, New Zealand scored 271-7 from the allotted 42 overs, and India's target was revised to 293, as per the D/L method. The visitors were 277-9 from 41.3 overs, when rain put an end to the proceedings.

Mahendra Singh Dhoni won the toss and elected to bowl for the third consecutive time in the series, in the third game, at Auckland. Opener Martin Guptill led his side's charge, contributing 111 to a final score of 314. India were 146-5, when Dhoni was joined by Ravindra Jadeja. The Black Caps sensed victory when the Indian skipper was sixth out at 184, off the fourth ball of the thirty-fifth over. Jadeja proceeded to essay a blinder. He initially played second fiddle to R. Ashwin (66), in a stand of 85. When Ashwin departed, Jadeja seized control with some superlative strokes. Bhuvneshwar Kumar and Mohammed Shami assisted him, but

both fell at critical junctures, and when the final over began, India needed 18 to win, with one wicket. Jadeja was on strike. He thumped Corey Anderson's first ball to the mid-wicket boundary. The bowler replied with two wides, and two dot balls. The fourth and fifth deliveries of the over produced a four to fine-leg, and a six over mid-wicket. With two needed for an improbable win off the last ball, Jadeja hit the final ball to mid-off for a single, to secure a tie. The left-handed all-rounder finished with an unbeaten 66 off 45 balls, inclusive of five boundaries and four sixes.

Dhoni won the toss again in the fourth game, played at Hamilton, and this time, elected to bat. India did well to finish with 278-5, but New Zealand batted brilliantly, to overhaul the target with seven wickets in hand. Ross Taylor remained unbeaten on 112. Put in to bat in the last ODI, the hosts totalled 303-5, with Taylor scoring another hundred. India were bowled out for 216. Kohli essayed a lone hand of 82.

New Zealand were in deep trouble at 94-5, but they then crafted one of the greatest fightbacks in the history of the sport. Brendon McCullum, the captain, and Watling, added 352 for the sixth wicket. Watling scored 124, and McCullum became the first New Zealander to score a triple century in Tests. Debutant all-rounder Jimmy Neesham remained unbeaten on 137, and the hosts declared at 680-8. Set an impossible 435 to win in less than a day, India had no option, but to play for a draw. They had a scare when the openers fell with only 10 on the board, but Kohli stabilised the innings. India were 166-3 at the close, with Kohli unbeaten on 105.

Shikhar Dhawan completes his second Test hundred, in the second innings of the Auckland Test.

ASIA CUP 2014

26 February 2014 – 5 March 2014

Virat Kohli led India in the tournament, with M.S. Dhoni ruled out due to a side-strain.

The captain led from the front in the first game against hosts Bangladesh, scoring his 19th ODI hundred, as India overhauled a target of 280 with six wickets in hand. It was Kohli's thirteenth hundred while chasing, twelve of those hundreds being match-winning efforts. His 136 spanned 122 deliveries, and comprised sixteen fours and two sixes.

Put in to bat by Sri Lanka in their next game, India scored 264-9. Dhawan scored 94 and Kohli 48. The Sri Lankan openers put on 80, but none of the subsequent batsmen, from number four downwards, got going. However, Kumara Sangakkara, the number three, was in tremendous nick. He scored 103 off 84 balls. He fell in the penultimate over, with seven needed, but Thisara Perera and Ajantha Mendis got their team through.

The next encounter, against Pakistan, was a thriller. Put in to bat once again, India were restricted to 245-8. The Pakistani openers put on 71 in even time, but India hit back to reduce them to 113-4. Mohammed Hafeez and Sohaib Maqsood put the chase back on track, with a stand of 87. Both then fell, one after the other, and as the climax approached, it all boiled down to the presence of Shahid Afridi in the middle. Umar Gul and Mohammed Talha fell in the penultimate over. When R. Ashwin commenced the final over of the match, Pakistan needed ten to win, with two wickets in hand, and Afridi at the non-striker's end. Saeed Ajmal was bowled behind his legs off the first ball, and Kohli surrounded Junaid Khan, the number eleven, to deny him a single. However, Junaid managed to take one, to bring Afridi on strike. Nine were now needed off four balls. Afridi hit the next two deliveries high and hard, and both strokes had enough in them to clear the ropes. India could take heart from the performances of their spinners, Ashwin (3-44) and Amit Mishra (2-28).

India still had a chance of qualifying for the final, provided

they beat Afghanistan with a bonus point, and Bangladesh beat both Pakistan and Sri Lanka, and acquired a bonus point in the process. That would have led to a three-way tie between India, Pakistan and Bangladesh, in terms of points, and the Net Run-Rate would have had to come into play. However, Pakistan's win over Bangladesh in their final league game, the day before India's last game against Afghanistan, put paid to the prospects of Kohli's side.

India beat Afghanistan by eight wickets in their last game.

ICC WORLD T20 2014

21 March 2014 – 6 April 2014

The men in blue played some splendid cricket in the competition.

India were in Group 2, along with Pakistan, Australia, Bangladesh and the West Indies. They played all their matches at the Sher-E-Bangla National stadium, Mirpur.

Dhoni won the toss and elected to bowl, in the first game against Pakistan. The Indian bowlers restricted their opponents to 130-7. Leg-spinner Amit Mishra was the pick of the bowlers, with figures of 2-22. The Indian batsmen proceeded to complement their bowling colleagues, and they completed a seven-wicket win in the penultimate over.

The Indian bowling was as outstanding in the next game against the West Indies, the defending champions. Dhoni again won the toss and opted to field, and the Windies scored 129-7. Dhawan fell early, but Sharma (62) and Kohli (54) batted well, to seal another seven-wicket win. Amit Mishra, who had bagged 2-18 earlier in the day, won his second successive Player of the Match award.

India cemented a spot in the semi-finals with an eight-wicket win over hosts Bangladesh. The bowling was excellent, with Mishra taking 3-26,

and R. Ashwin bagging 2-15. Needing 139 to win, India were put on the road to victory by Sharma (56) and Kohli (57). In their last league game, India were put in to bat by Australia. Yuvraj Singh contributed 60 to a total of 159-7. Australia were then bowled out for 86. Ashwin, who took 4-11, emulated Mishra by winning a second successive Player of the Match award.

India took on South Africa in the semi-finals. The Proteas won the toss, and opted to bat. Ashwin (3-22) apart, the bowlers were dealt with harshly. Skipper Faf du Plessis (58), J.P. Duminy (45) and David Miller (23*) were instrumental in taking their side to 172-4.

Rohit Sharma and Ajinkya Rahane provided a belligerent start to the Indian innings, scoring at nearly ten an over, before South Africa drew first blood. Virat Kohli arrived at the crease, with the scoreboard reading 39-1 off 3.5 overs and took over the game. Even as he attacked the bowling, his teammates displayed their cricketing nous by playing second fiddle to him. Sharma scored 24, Rahane 32, Yuvraj 18, and Raina, 21. Kohli remained unbeaten on 72, scored off only 44 balls. India won by six wickets, and with five balls to spare.

India were out-thought and outplayed in the final, by Lasith Malinga's Sri Lanka. Kohli scored 77, but his teammates struggled against brilliant bowling. A final score of 130-4 was below-par.

The Indian bowlers were thwarted by veterans Mahela Jayawardene and Kumara Sangakkara. Jayawardene fell for 24, but Sangakkara controlled the chase splendidly. He remained unbeaten on 52, and Thisara Perera struck the decisive blows towards the end, to take Sri Lanka to a six-wicket win.

Virat Kohli was declared the Player of the Tournament, for his 319 runs @ 106.33, from six matches.

INDIA'S TOUR OF BANGLADESH

Mirpur - 15 June - 19 June 2014

Winner of the ODI Series.

All three ODIs in this short series were played at the Sher-E-Bangla National Stadium, Mirpur.

The Suresh Raina-led side won the first two matches, to take the series. The third encounter was abandoned due to rain.

Mushfiqur Rahim, the Bangladesh skipper, won the toss in the first game, and elected to bat. The hosts totalled 272-9, with Shakib Al Hasan and the captain scoring fifties. Two of the three specialist spinners who were part of India's playing XI were making their international debuts – left-arm spinner Axar Patel, and off-spinner Parvez Rasool.

India began its response well, with the openers Robin Uthappa and Ajinkya Rahane putting on 99. India were a healthy 100-1 from 16.4 overs when play was interrupted due to rain. On resumption, India's target was revised to 150 from 26 overs. The visitors won by seven wickets, with seven balls to spare.

The second game, played two days later, was a dramatic encounter. Put in to bat, India were 14-1 from 5.2 overs when there was another rain-interruption, and the match was curtailed to 41-overs-a-side. The visitors struggled against incisive swing bowling, and were dismissed for 105. Debutant Taskin Ahmed was Bangladesh's best bowler, with figures of 5-28.

What followed was sensational, as India bowled the opposition out for 58, thus winning the match, and with it, the series. Bangladesh were 44-2, before losing their last eight wickets for only 14 runs. The Indian pacemen were outstanding. Mohit Sharma took four wickets, and Stuart Binny created history. His 6-4 was the best spell in ODIs by an Indian, superseding Anil Kumble's 6-14 against the West Indies at Kolkata in 1993-94.

India were 119-9 in the third game, before the rain intervened and ensured that no further play was possible.

Southampton: 27 July – 31 July,
Manchester: 7 August – 9 August,
Oval: 15 August – 17 August

India lost the five-match series 1-3.

The first Test was drawn. Batting first, India scored 457. Murali Vijay excelled with an innings of 146, and M.S. Dhoni scored 82. Bhuvneshwar Kumar (58) and Mohammed Shami (51) added 111 for the tenth wicket. England replied with 496. India scored 391-9 in the second innings. Vijay and Pujara scored fifties, as did debutant Stuart Binny. Bhuvneshwar's 63 was his second half-century of the game.

The Indian players converge on Ishant Sharma, who took 7-74 in the second innings at Lord's.

The visitors outplayed the hosts in the second Test at Lord's. Put in to bat, India were struggling at 145-7 on day one. Ajinkya Rahane then engineered a revival with a magnificent hundred. He was supported by Bhuvneshwar, Shami and Ishant Sharma, and India finished with 295. England were dismissed for 319, with Bhuvneshwar taking 6-82. Gritty batsmanship by the top order, with Vijay (95) leading the way, and Jadeja and Bhuvneshwar in the latter stages, enabled India to reach 342 in the second innings.

Needing 319 to win, England lost their first four wickets fairly quickly, but Joe Root and Moeen Ali held firm. They had added 101, and England were 146 short of the target, when Ali fended away the last delivery of the pre-lunch session on the last day, bowled by Ishant, into Pujara's hands at short leg. That one dismissal changed the course of the game.

Ishant Sharma responded to his captain's instructions of peppering the batsmen with short-pitched deliveries, brilliantly. England were bowled out for 223, with Ishant taking 7-74. It was India's first overseas Test win since 2011, and first Test win at Lord's since 1986.

The last three Tests were disappointing for the visitors. England won the third game, played at Southampton, by 266 runs. India scored 330 in response to England's 569-7, in the first innings. England declared at 205-4 in the second innings, and proceeded to bowl India out for 178.

England went on to dominate the next two Tests. The fourth game at

Manchester lasted less than three days, as England bowled India out for 152 and 161, to win by an innings and 54 runs.

The last Test, played at the Oval, went the same way. Put in to bat, India were dismissed for 148 on the first day. England amassed 486, with Joe Root scoring his second ton of the series. India were then bowled out for 94 in less than thirty overs, thus losing by an innings and 244 runs. Their best player in the last two Tests was Dhoni who scored 71 and 82 in the first innings of both games.

Bhuvneshwar Kumar won the Indian Player of the Series Award, for his impressive showing with bat and ball—247 runs and 19 wickets.

England started disastrously, losing three wickets with only 23 on the board, and never got back in the game. Needing only 207 to win the match and series, India got home with nearly twenty overs to spare. Rahane essayed some superlative strokes on the

way to his maiden ODI hundred. He hit ten boundaries and four sixes. Shikhar Dhawan remained unbeaten on 97.

India 'A' lost its first match to Australia 'A' by 28 runs. The team came back strongly, with wins in the remaining five league matches. Karn Sharma was then supported by Parvez Rasool and Dhawal Kulkarni. The target was ten runs away when Kulkarni fell, but Rahul Shukla, the number eleven, kept his cool, and hung on till Sharma completed a win off the penultimate ball of the innings. The Railways all-rounder remained unbeaten on 39.

India 'A' stayed at the top of the points' table with a three-wicket win over NPS. Put in to bat, NPS scored 234-9. Kedar Jadhav (87) and Samson (55*) helped India 'A' win by three wickets with more than ten overs to spare.

The situation was ripe for a display of resilience, and Rishi Dhawan (56*) and Axar Patel (45*) did just that. India 'A' won by four wickets, with eight balls to spare, and took the title.

QUADRANGULAR TOURNAMENT

India, Australia, South Africa,
Zimbabwe: Vishakhapatnam –
23 September – 5 October 2013

India's 'Boys in Blue' started and finished the Quadrangular series with crushing victories, and played some magnificent cricket in between. They won four of their six league games, with one match abandoned due to rain, and dominated the final.

The Vijay Zol-led outfit batted first in their first game against Zimbabwe, played at the Dr. YSR ACA-VDCA Stadium, and scored 291-6, with Sarfaraz Khan and Deepak Hooda getting fifties. Zimbabwe were bowled out for 143, with Kuldeep Yadav taking 4-34 with his wrist-spin.

India then took on South Africa at the Port Stadium. South Africa batted first and posted a competitive 270-8. India stuttered at the start, losing their first three wickets at the same score – 47 – and the fourth wicket fell at 93. Then came a sensational turnaround, with Ricky Bhui (94*) and Sarfaraz Khan (101) launching an assault. India secured a four-wicket win with more than ten overs to spare.

A splendid hundred by Shreyas Iyer enabled India to amass 321-5 in the next game, against Australia. The visitors were 156-3 from thirty

overs in response, when rain terminated the proceedings. The D/L method was invoked, and Australia were found to be eighteen runs short of the par score.

India went on to beat Zimbabwe in their fourth league match, by nine wickets. Chasing 246, openers Ankush Bains (134) and Akhil Herwadkar (88*) went after the bowling, and put on 218. India completed a win with 22 overs to spare.

India's second league clash against South Africa was a disappointment, with the hosts falling ten runs short of

a target of 257-6. Vijay Zol's 103 went in vain, as his colleagues failed to click. The subsequent game against Australia was washed out, but India had done well enough to qualify for the final.

The summit clash against South Africa, was one-sided. Put in to bat, India scored 267-6. Zol and Sarfaraz Khan scored fifties. South Africa were then bowled out for 66. Off-spinner Aamir Gani took 3-18, and Yadav finished with 2-13. Sarfaraz also got a couple of wickets with his off-breaks.

Left-arm wrist-spinner Kuldeep Yadav was the highest wicket-taker in the tournament, with ten scalps.

MATCH TWO - INDIA V NEPAL, CRICKET ACADEMY, DUBAI

Asked to bowl, India dismissed Nepal for 136, with left-arm wrist spinner Kuldeep Yadav taking 5-31. Fifties by Herwadkar and Zol ensured a nine-wicket win.

MATCH THREE - INDIA V PAKISTAN, DUBAI INTERNATIONAL CRICKET STADIUM

This match went right down to the wire. India batted first and scored 250-7. Nearly every batsman got off to a start, but none consolidated, with the exception of Ricky Bhui (64). Sami Aslam, Pakistan's captain, led his side's chase with a splendid 108. He was fourth out at 181. The Indians kept fighting and were rewarded for their diligence, but Kamran Ghulam (55) kept one end going. The closing stages witnessed some frantic cricket, but Pakistan got home with two wickets in hand and three deliveries to spare. However, India had done enough in the tournament to qualify for the semi-finals.

SEMI-FINAL - INDIA V SRI LANKA , ICC CRICKET ACADEMY, DUBAI, 2 JANUARY 2014

Kuldeep Yadav had another impressive outing (3-49), and Sri Lanka were restricted to 223-8. Hooda and Sarfaraz Khan took two wickets each. Ankush Bains apart, no Indian batsman crossed fifty, but the partnership were big enough

to ensure that the target did not get out of hand. India overhauled the target off the first ball of the last over, with three wickets in hand. Yadav remained unbeaten on 22, thus making it a match to remember.

INDIA V PAKISTAN, FINAL, SHARJAH, 4 JANUARY 2014

The same teams had contested the final of the first under-19 Asia Cup, played at Malaysia in July 2012, and the game had ended in a tie. Put in to bat at Sharjah in January 2014, India were brilliant. Vijay Zol, the captain, and Sanju Vishwanadh, his deputy, came together at 85-2, and added 180. Both scored round tons, and although the latter batsmen succumbed in the dash for runs, India's 314-8 was a big score to make in a final. India then bowled well, maintaining the pressure and striking regularly. Sami Aslam (86) and Kamran Ghulam (102) batted well, but the other batsmen struggled. Yadav took three wickets. Paceman C.V. Milind, and off-spinners Aamir Gani and Hooda bagged two scalps each, and Pakistan finished at 274-9.

ICC UNDER-19 CRICKET WORLD CUP 2014

15 February 2014 - 27 February 2014

The Indian team, for the ICC U-19 CWC 2014.

The tournament was disappointing for the three-time winners and defending champions. India failed to qualify for the semi-finals, and eventually finished fifth.

India were part of Group A, alongside Pakistan, Scotland and Papua New Guinea.

The cup holders commenced their defence of the title with a win over Pakistan. Batting first, India were in a spot of bother at 94-4, when Sarfaraz Khan and Sanju Samson came to the rescue, with a stand of 119. Both scored fifties, and Deepak Hooda contributed 22 in the closing stages, to ensure a score of 262-7. The Pakistani openers put on 109, before skipper Sami Aslam, who had batted well to score 64, was run out in a mix-up with his partner. It proved to be the turning point, and thereafter, the Indians kept striking at regular intervals. Pakistan were bowled out for 222, with Deepak Hooda taking 5-41.

India had a scare in their second league game, against Scotland. The Scots won the toss and batted, but they came apart against the Indian bowling. Opener Andrew Umeed (44) and lower-order bat Gavin Mein (16) apart, no batsman reached double figures, and the innings ended at 88. Aamir Gani and Kuldeep Yadav took four wickets each. The Indian innings then got off to a disastrous start. Scotland bagged five wickets with only 22 on the board. Sarfaraz Khan and Hooda steadied the ship, and took the team to victory, with an unfinished partnership.

India stormed into the quarter-finals with a big win over Papua New Guinea, in their last league match. All the batsmen fired, as the side ran up a score of 301-6. PNG were bowled out for 56 in response. Yadav was the most successful bowler, with figures of 4-10.

It all went awry for India in the quarter-final against England. The batsmen failed to flourish after Zol won the toss and elected to take first strike. The innings was in tatters, at 24-4, before Zol and Hooda undertook repairs. Sarfaraz Khan essayed another impressive innings, but the lower-order caved in, and 221-8 was anything but a formidable total. India fought hard, taking the first three wickets for only 41. Ben Duckett, England's number four batsman, dropped anchor for his team, and he was supported well by the lower-order. Yadav had another outstanding

outing, with figures of 3-46, but the target was never beyond England's reach. Duckett's 61, wicketkeeper-batsman Joe Clarke's 42, and Rob Jones' unbeaten 28 were instrumental in England winning by three wickets, and shutting the door on the defending champions.

India proceeded to beat Sri Lanka and the West Indies by 76 runs and 46 runs in the fifth-place Playoff semi-final and final, respectively.

Members of the team converge on Kuldeep Yadav, who was India's best bowler in the tournament.

INDIVIDUAL LANDMARKS

ZAHEER KHAN - 300 TEST WICKETS

Zaheer Khan became the fourth Indian to take 300 Test wickets, when he trapped Jacques Kallis leg-before, in the Johannesburg Test, in December 2013.

Zaheer is the second Indian paceman, after Kapil Dev, to achieve this distinction. Anil Kumble and Harbhajan Singh are the other Indians to take 300 Test wickets.

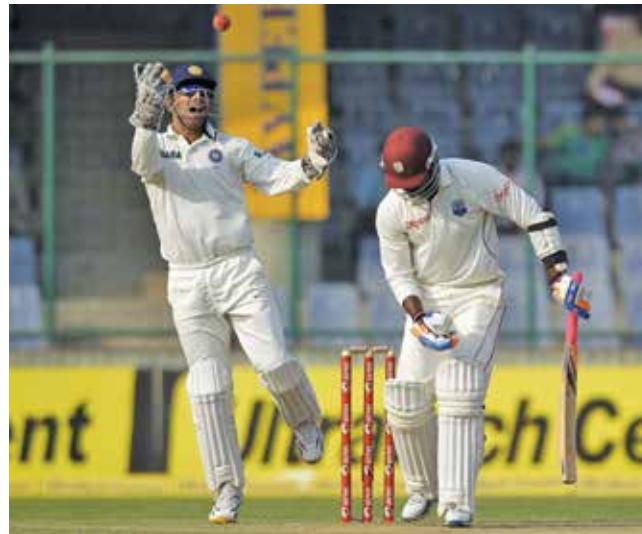

MAHENDRA SINGH DHONI

- India's most experienced test captain
- 250 Dismissals
- India's most successful ODI captain

M. S. Dhoni surpassed Sourav Ganguly's tally of 49 Tests as captain, to become India's most experienced Test skipper against South Africa at Johannesburg, in December 2013.

In the second Test, against the West Indies at Mumbai, in November 2013, Dhoni became the seventh wicketkeeper, and the first Indian, to complete 250 Test dismissals. He achieved this feat when he caught Tino Best off Pragyan Ojha, on the first day of the game.

Dhoni also became India's most successful captain in ODIs, when India beat England by nine wickets at Edgbaston, Birmingham, on 2 September 2014. It was his 91st ODI win as captain. Mohammed Azharuddin held the previous record for India, with 90 wins.

R. ASHWIN - 100 WICKETS IN TESTS AND ODIs

R. Ashwin completed a century of wickets in two forms of the game.

He was the fastest Indian to take 100 Test wickets, doing so in only his 18th Test, against the West Indies in Mumbai, in November 2013. His 100th victim was Darren Sammy, the captain of the touring side, who was caught by Rohit Sharma.

Coincidentally, the bowler whose record Ashwin broke was also an off-spinner – Erapalli Prasanna, who took his 100th wicket in his 20th Test.

The wicket of Kusal Perera (caught by Dinesh Kartik), in the Asia Cup game against Sri Lanka at Fatullah, in February 2014, was Ashwin's 100th in ODIs.

ROHIT SHARMA - CENTURIES IN HIS FIRST TWO TESTS, AND THIRD BATSMAN TO SCORE A DOUBLE CENTURY IN ODIs

In November 2013, Rohit Sharma became the fourteenth Indian to score a hundred on his Test debut, with an innings of 177 against the West Indies at Kolkata. He followed that up with an unbeaten 111 against the same team, at Mumbai. That knock made him the third Indian to score a century in each of his first two Tests, after Mohammed Azharuddin and Sourav Ganguly.

Sharma also became only the third batsman (and Indian) to score a double century in ODIs. His 209 against Australia at Bengaluru on 2 November 2013 was the second-highest individual score in ODI history. The innings comprised twelve boundaries, and a record sixteen sixes.

The three instances of batsmen scoring double centuries in ODIs, are as follows:

Virender Sehwag – 219 v West Indies at Indore, 2011-12

Rohit Sharma – 209 v Australia at Bengaluru, 2013-14

Sachin Tendulkar – 200* v South Africa at Gwalior, 2009-10

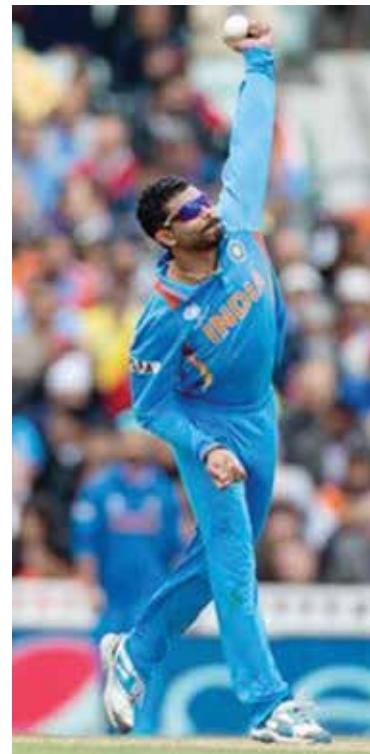

RAVINDRA JADEJA - 100 WICKETS IN ODIs AND 100 ODIs

Ravindra Jadeja became the third Indian left-arm spinner after Ravi Shastri and Yuvraj Singh, to take 100 wickets in ODIs. He completed a century of ODI wickets when he had Australia's Mitchell Johnson caught by Shikhar Dhawan at Nagpur on 30 October 2013.

The Asia Cup game against Pakistan at Mirpur on 2 March 2014 was Jadeja's 100th ODI.

SENIOR DOMESTIC CRICKET

KARNATAKA DO THE 'TREBLE'

Karnataka became the first team to win the Ranji Trophy, Irani Cup and Vijay Hazare Trophy in the same season. The triple triumphs were the outcome of the side's overall consistency, during the course of the season.

STAR SPORTS RANJI TROPHY

The six-time Ranji Trophy winners were slotted in Group A. They began their campaign in the Star Sports Ranji Trophy 2013-14, with draws against Jharkhand, Gujarat and Vidarbha. They gained the first-innings lead in the first and third games, and conceded it in the second. The race for the lead in the encounter against Vidarbha turned out to be exciting. Karnataka lost their eighth wicket at 477, in pursuit of the opposition's 542. The ninth-wicket pair of Abrar Kazi and K.P. Appanna then batted steadily, to take their team past the target.

Karnataka then registered their first outright win of the season, against Odisha at Cuttack. Put in to bat, Odisha were dismissed for 226. Manish Pandey then scored 132, as Karnataka ran up a total of 379. The new-ball pair of Abhimanyu Mithun and H.S. Sharath then shared five wickets each, as Odisha were bowled out for 279. Needing 127 to win, Karnataka prevailed by four wickets.

The side proceeded to win their next four league matches. After beating

Haryana by three wickets at Rohtak, Karnataka outplayed Punjab by ten wickets at Hubli, and Mumbai by 160 runs at Bengaluru. The victory over Mumbai was Karnataka's first-ever outright win against the 40-time champions, in the Ranji Trophy. These two 'home' wins were followed by an 'away' triumph against Delhi which R. Vinay Kumar's team won by eight wickets.

Karnataka carried on in the same vein in the quarter-final against Uttar Pradesh, at Bengaluru. Asked to bat first on home turf, the side started disastrously, losing three wickets with only 15 on the board. However, Robin Uthappa, Karun Nair, and C.M. Gautam came to the rescue, with a round ton each. Karnataka scored 349, and then restricted UP to 221-9 (R. P. Singh could not bat). There was another shaky start in the second innings, but K.L. Rahul held firm, in a knock of 92. As with all champion sides, Karnataka had a set of players who stood up to be counted, in crisis situations. Set to score 333 to win, UP were bowled out for 240, with skipper Vinay Kumar taking two wickets and Mithun, three. Leg-spinner Shreyas Gopal took 5-59.

The semi-final against Punjab at Mohali, was decided on the basis of the first-innings lead. There was no play on the first day, due to rain. Punjab scored 270, and Karnataka were 447-5 at stumps on day four. Rain washed out the last day.

Karnataka overwhelmed Maharashtra in the final, played at Hyderabad. The loss of the toss was the only setback of sorts for the side, as it went on to play flawless cricket. Pacemen Vinay Kumar, Mithun and S. Aravind bagged three wickets each, to dismiss Maharashtra for 305. The batsmen then took over. Centuries by K.L. Rahul (131) and Ganesh Satish (117), along with a 72 by the seasoned Uthappa, practically shut the door on the opposition. 515 was what Karnataka finished with, and although Maharashtra did their best in the second innings, with Kedar Jadhav (112) and Ankit Bawne (61) leading the way, Karnataka's bowlers ensured that the other batters did not flourish. Vinay Kumar and Gopal took four wickets each, to leave the batsmen with only 157 to win. Karnataka duly overhauled the target with seven wickets in hand.

Although it was by all accounts a 'team' triumph, there were some players who stood out; K.L. Rahul, who scored 1,033 runs in the tournament, inclusive of three centuries and four fifties, and the bowlers, who proved yet again, that it is their tribe that is needed to win matches. Abhimanyu Mithun finished the tournament with 41 wickets, inclusive of two 'five-fors,' and one haul of ten wickets in a match. H.S. Sharath took 32 wickets, and Vinay Kumar, a proud leader, had 29 scalps to his name.

R. Vinay Kumar, the Karnataka captain, is presented the Ranji Trophy by Mr. Shivlal Yadav, Vice-President, BCCI, and Mr. Anirudh Chaudhry, Hon. Treasurer, BCCI.

COL. C.K. NAYUDU LIFETIME ACHIEVEMENT AWARD

Kapil Dev Nikhanj, former India captain, was the recipient of the BCCI's Col. C.K. Nayudu Lifetime Achievement Award.

The Col. C. K. Nayudu Lifetime Achievement Award, named after India's first Test captain, is given to individuals whose contribution to Indian cricket, on and off the field, is unparalleled.

The man who led India to World Cup glory in 1983 was the unanimous choice of the Board's Col. C.K. Nayudu Lifetime Achievement Award Committee, which comprised Mr. N. Srinivasan, President, BCCI, Mr. Sanjay Patel, Hon. Secretary, BCCI, and Mr. Ayaz Memon, Senior Journalist.

One of the greatest cricketers of all time, Kapil Dev Nikhanj was the first player to achieve the 'double' of 5,000 runs and 400 wickets in Tests. In an illustrious career that commenced in 1978 and concluded in 1994, he represented India in 131 Tests, from which he took 434 wickets. He also scored 5,248 runs, inclusive of eight centuries. He played 225 ODIs, in which he took 253 wickets and scored 3,783 runs.

His most memorable contribution to Indian cricket was the victory in the 1983 World Cup. As captain,

Kapil Dev led from the front, with bat, ball and in the field, as the Indian cricket team won the sport's ultimate prize, for the very first time. His match-winning 175 in a league encounter against Zimbabwe, wherein he rescued India from a perilous 17-5, is part of cricketing folklore. He struck with the ball at critical stages, right through the tournament, and held two crucial catches - those of Viv Richards and Clive Lloyd

- in the final against the West Indies. His other significant achievement as captain of India was the 2-0 Test series win in England, in 1986.

Kapil Dev's temperament and tenacity overshadowed his talent. He produced his best in crisis situations. He overcame an injured thigh to take 5-28 against Australia at Melbourne in 1980-81, which took India to a famous series-levelling win. His 119 against the same team at Chennai in 1986-87, steered India out of a tight spot, and set up only the second Tied Test in the history of the sport. Against England at Lord's in 1990, with India needing 24 to avert the follow-on, and the number eleven batsman at the other end, he proceeded to hit off-spinner Eddie Hemmings for four consecutive sixes.

He had a stint as coach of the Indian team in 1999-2000. He served as Chairman of the National Cricket Academy in 2006-07. He is presently a popular Media Personality.

Mr. Kapil Dev Nikhanj was presented the Col. C.K. Nayudu Lifetime Achievement Award, which comprised a trophy, citation and a cheque for Rs. 25 lakhs, by Mr. N. Srinivasan, President, BCCI, at the seventh annual BCCI Awards Ceremony, held on 11 January 2014.

MANSOOR ALI KHAN PATAUDI MEMORIAL LECTURE

Mr. Anil Kumble is presented a memento by Mr. N. Srinivasan, President, BCCI.

Anil Kumble, former India captain, delivered the second annual MAK Pataudi Memorial Lecture, at the Crystal Room, Hotel Taj Palace and Towers, Mumbai, on 13 November 2013. The lecture was attended by members of the Indian and West Indies cricket teams, Ms. Saba Sultan, daughter of the late MAK Pataudi, senior-office-bearers of the BCCI, representatives of the affiliated units, and former international cricketers.

Extracts from the Lecture:

PERCEPTION AND PRACTICE

In cricket, as in most things in life, perceiving is believing. The great Nawab of Pataudi was acutely aware of the role of perception.

He understood the 'Indian way', and the importance of putting processes in place.

A captain must find the mid-point between arm-waving leadership and over-subtlety, which is a sure way of getting the message lost. Pataudi had the balance right, and has been the beacon for every Indian captain since.

He must have worked hard at appearing almost casual in his stroke play, as if to suggest that cricket was the easiest game in the world - in fact so easy that he could play the best bowlers with just one good eye. The effect on his team was phenomenal. The perception of ease communicated itself to the many who were inhibited, diffident and under-confident.

My closest interaction with Pataudi came many years after he had retired. He was the President of a Players' Association formed to work in tandem with the Board. I was the Vice-President.

He was keen on putting in place a system that would outlive the personalities, much like he had done as captain of India. He discussed with us the genuine problems we had, and he had a keen understanding of players and player issues.

Perceptions were against us, yet the players' working in tandem with the BCCI ensured that the benefits of playing cricket accrued to the players.

A system of percentages from sponsorship money was worked out and demarcated in a manner that ensured that those who played for their state or country would never want for money.

Both sides appreciated the significance of communication. It was never black and white, with the players making demands and the Board stonewalling their efforts. The importance of negotiated meeting points was driven home early.

It is important for followers of the sport from across the world to recognize that India is a multi-cultural society and we have over several centuries accommodated and assimilated the cultures of those who came to our country.

This ability to amalgamate the influences of various cultures has enriched us and we have a well-deserved reputation for graciousness and hospitality.

Traditionally, our leadership style has relied less on belligerence and more on driving consensus. It is important that the development of cricket and its popularity among its member nations are protected and nurtured.

In the years since the democratization of the International Cricket Council with the removal of the Veto power that had been granted to its founding members, changes in the game have been rapid, and led by India.

It is ironic that the rest of the cricketing world has accepted India's lead role rather more easily and with greater pragmatism than India have.

On many issues, players and fans are closer to the BCCI's way of thinking than is realised.

The challenge of maintaining tradition while we adapt to the modern demands of cricket is proving to be complex.

It may be practical to step away from the unimaginative approach of packing every series with a couple of Test Matches, a few one dayers followed by a couple of 20-over games and instead consider carving out separate calendars for each format.

Every aspiring cricketer should be given the training to meet the demands that go with being a professional.

I firmly believe that every cricketer should be put through a mentoring programme that encompasses a wide range of competencies that include:

- * Understanding his role as a professional sportsman.
- * Responsibility as an ambassador of the country, team, family and cricket board
- * Being a role model for aspiring youngsters
- * Financial management
- * A clear concept of the effects of the usage of drugs
- * A proper assessment of the paths that lead to bringing the game into disrepute with spot fixing and similar ills.

Policing and severe punishment can only be limited deterrents, but these preventive mechanisms through mentoring interventions can offer lasting solutions to the evils that threaten the gentleman's game.

With a rise in the frequency of international tours, increase in the number of formats in which the game is played and a slowing down of wickets across the world, it was believed that the game was in danger of homogenization in terms of style, approach, and content.

Yet, the opposite has happened. No one who watched a VVS Laxman or a Mahela Jayawardene bat ever mistook them for Australian or South African players; Michael Clarke is unmistakably Australian.

Perception is reality here. It helps us understand not just the batsmen but also the environment they emerged from and the contradictions or consistencies in their styles.

Sachin and I played 122 Test matches together; I never threatened his place in the team as a batsman. But I can tell you he sometimes threatened mine as a bowler - he was such a natural as a leg spinner!

Perception leads many astray when they confuse the product with the process: the former is effortless only because of the effort that goes into the latter.

Of no other sportsman in any other place or time can it be said that he symbolizes both the essence and the aspirations of a whole people. Yet even in the case of this genius, our perceptions have shifted.

The present belongs to India. There is no reason why the future too can't. We owe it to the coming generations to provide the wherewithal to become the best players they can be. On how we handle the present will depend the future.

The greatest tribute to the Pataudi legacy is that at critical junctures, someone shows up with a solution. It is the attitude that made India the No 1 cricketing country.

PEPSI IPL 2014

Kolkata Knight Riders, winners of the Pepsi IPL 2014.

Kolkata Knight Riders became the second team after Chennai Super Kings, to win the Indian Premier League twice. They beat Kings XI Punjab by three wickets, in the final, to win the title for the second time in three seasons.

The Pepsi IPL 2014 exceeded all expectations and set new benchmarks, in terms of popularity and excellence. For the first time, the tournament was played in two different countries; a consequence of the Indian General Elections, which were held in April-May 2014. The United Arab Emirates hosted the first leg of the tournament, which comprised twenty matches, from 16 April to 30 April. Abu Dhabi, Dubai and Sharjah were the venues. The 'India leg' was played from 2 May to 1 June.

The concerned authorities in the UAE went out of their way to support and ensure the success of the first leg. The cricket-lovers of the region flocked to the stadia and cheered for their favourite players. The Indian public did likewise, when the teams returned home.

The teams responded by producing exhilarating cricket.

KKR were rewarded as much for their consistency, as their resilience. They began the tournament with a convincing 41-run win over Mumbai Indians, the defending champions,

in the inaugural game, played at Abu Dhabi. However, the team did not impress in its remaining games of the UAE leg. They beat RCB by two runs in a subsequent game in the UAE leg, but lost to Delhi Daredevils and Kings XI Punjab. Their game against Rajasthan Royals was tied, and following another deadlock in the Super Over, Rajasthan Royals were declared winners as they had hit more boundaries.

When KKR flew back to India after losing the Eliminator to Rajasthan Royals, the members of the team could take heart from the fact that

their skipper had struck form, after a disastrous start to the tournament. Gautam Gambhir had fallen for ducks in the first three games, and scored a solitary run in the fourth. He broke the jinx with a valiant 45 in his team's last game in the UAE, against Rajasthan Royals.

KKR started the India leg, with defeats against CSK and RR. At that stage, not many individuals expected them to qualify for the Playoffs.

Their game against DD at Delhi, on 7 May 2014, was the turning point

The Opening Ceremony at Abu Dhabi on 15 April 2014 - His Excellency Sheikh Nahayan Bin Mubarak Al Nahayan, Minister of Culture, Youth & Community Development, UAE, is presented a memento by Mr. Sanjay Patel, Hon. Secretary, BCCI, and Mr. Sunil Gavaskar, Interim President, BCCI-IPL.

of their campaign. DD won the toss, batted first and scored a competitive 160-5. KKR overhauled the target with nine deliveries to spare, and eight wickets in hand. Gambhir led from the front with an innings of 65, and his opening partner Robin Uthappa, who was in the middle of a purple patch, scored 47. From that point, there was no looking back. KKR proceeded to win its remaining six league matches by comprehensive margins. KXIP were beaten by nine wickets, with Gambhir and Uthappa again among the runs. Mumbai Indians were then outplayed by six wickets, Chennai Super Kings by eight wickets and Royal Challengers Bangalore by 30 runs. Sunrisers Hyderabad were beaten twice, by seven wickets and four wickets respectively.

One of the primary catalysts for KKR's resurgence was Robin Uthappa, who was outstanding at the top of the order. He scored five fifties and quite a few 40s, at the league stage. Gambhir led the team brilliantly from the start, keeping spirits high after the initial reverses. As batsman, he excelled when it mattered. The side's best bowlers were Sunil Narine, Piyush Chawla and Morne Morkel.

KKR's last league game, against SRH, was one of the many dramatic contests of the tournament. They had already made it to the Playoffs, but they stood a chance of making it to the second position in the points table, if they were to achieve the target of 161 in 15.2 overs.

Yusuf Pathan arrived at the crease with KKR needing 106 from 47 balls to become no. 2. Before anybody, least of all the KKR camp, realised it, he took the game by the scruff of the neck, and blasted 72 off 22 balls. Much to the delight of their supporters, KKR finished the game, several deliveries before the '15.2' mark.

KKR's opponents in Qualifier 1 were KXIP, the most successful team of the league stage, with eleven wins from fourteen matches. Their star player was Glenn Maxwell, who went on to end the tournament with an aggregate of 552 runs. He also hit the highest number of sixes (36) in the 2014 season. In Qualifier 1, George Bailey, the KXIP skipper, won the toss and elected to bowl. KKR scored 163-8, with Uthappa getting 42. Morne Morkel (2-23) and Umesh Yadav (3-13) then took over with the ball, and they were instrumental in restricting KXIP to 135-8.

Five days later, the two teams faced off again in the summit clash at Bengaluru. Kings XI Punjab beat Chennai Super Kings in Qualifier 2, played at Mumbai, by 24 runs. The highlight of the game was a belligerent 122 by Virender Sehwag. His innings enabled KXIP to amass 226-6. CSK started poorly, losing Faf du Plessis in the very first over, but Suresh Raina matched Sehwag stroke for stroke. The 100 of the innings came up in six overs, and KXIP seemed to be running out of options, when George Bailey, their skipper, ran Raina out with a direct hit. The left-hander had scored 87 off only 25 balls. KXIP denied the subsequent batsmen the freedom to open out, and CSK finished 24 runs short.

At Bengaluru on 1 June 2014, Gambhir won the toss and elected to bowl. KXIP lost Sehwag early, but his opening partner Manan Vohra, and Wriddhiman Saha, batted magnificently, adding 129 for the third wicket. Saha completed the first-ever century in an IPL final. He batted a mere 55 balls to score 115, inclusive of ten boundaries and eight sixes. KXIP finished with 199-4.

Manish Pandey was the hero of KKR's pursuit. He filled the breach created by Uthappa's early dismissal, with first Gambhir (23) and then Pathan (36) keeping the other end going. Pathan was third out at 130, but KKR appeared to have the chase under control. KXIP did not lose heart, and made their opponents fight for every run. KKR responded with some dogged batting, although they lost the wickets of Shakib Al Hasan and Ryan ten Doeschate. The prized scalp of Pandey in the 17th over, with the target still 21 runs away, infused the KXIP players and supporters with hope. When Suryakumar Yadav fell in the penultimate over, the equation had come down to 13 runs, ten balls, and three wickets in hand.

The spin duo of Chawla and Narine held their nerve, and completed with the bat, what they had set up with the ball, over the previous few weeks. Chawla struck Parvinder Awana for four, to win the game for his team, with three deliveries to spare.

The game signalled the culmination of a memorable competition 'that would be remembered only for the cricket,' as desired by Mr. Sunil Gavaskar, Interim President, BCCI-IPL, at its commencement.

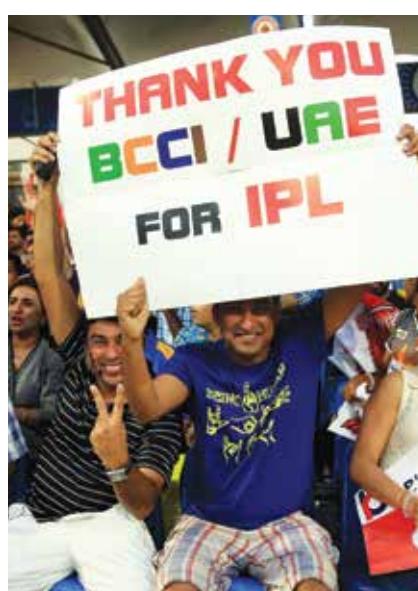

The 2014 season marked a return to the original format of the tournament.

There were eight teams in the fray, and each of them played the other seven twice, at the league stage.

While Abu Dhabi, Dubai and Sharjah made their IPL 'debuts,' Indian cities like Ahmedabad and Cuttack hosted the tournament after a gap. The Eliminator, in which Chennai Super Kings beat Mumbai Indians, was played at the Brabourne Stadium in Mumbai, which had last staged IPL matches in 2010.

The heroics of the two finalists apart, cricket-lovers had a lot to cheer and remember. The last game of the league stage, an encounter between Mumbai Indians and Rajasthan Royals at the Wankhede Stadium, was a classic. At the halfway mark, MI were confronted with the challenge of overhauling the target of 190 in 14.3 overs, to qualify for the Playoffs. New Zealander Corey Anderson led MI's charge, with an innings of 95 off 44 balls, and his side levelled the scores at the cut-off point. Even as the suspense heightened, it was revealed that MI could acquire a net run-rate superior to RR's, if they could strike a boundary off the very next ball. MI's Aditya Tare did far better, swinging James Faulkner for six, to take his team into the Playoffs. It was a phenomenal achievement by the 2013 champions, after losing their first five matches of the competition.

MI were eventually beaten in the Eliminator by CSK, who eventually finished third. Mohit Sharma, their paceman, was the highest wicket-taker in the tournament, with 19 scalps. The batting table was topped by KKR's Robin Uthappa, with 660 runs.

**OPPO CHAMPIONS LEAGUE T20 2014**

13 September 2014 - 4 October 2014

Chennai Super Kings, winners of the Oppo CLT20.

An unbeaten century by Suresh Raina enabled Chennai Super Kings to beat Kolkata Knight Riders in the final of the Oppo Champions League Twenty20. The M.S. Dhoni-led side won the tournament for the first time since 2010.

In the summit clash, which was played at Bengaluru on 4 October, Gautam Gambhir, the KKR skipper, scored 80 off 52 balls, and his team finished with 180-6. CSK's Pawan Negi bowled superbly to take 5-22. Raina came to the crease at 9-1, and proceeded to bat magnificently, scoring 109 off only 62 balls. The 'Men in Yellow' overhauled the target with eight wickets in hand and nine deliveries to spare.

Raina also won the Golden Bat for being the top run-getter in the competition, with an aggregate of 243 runs. He also hit the maximum number of sixes (16) in the tournament. KKR's Sunil Narine won the Golden Wicket for his tally of 12 wickets in the tournament.

The Oppo CLT20 was played at four venues – Bengaluru, Mohali, Hyderabad and Raipur.

The action commenced on 13 September at Raipur, with four sides – Lahore Lions (Pakistan's domestic T20 champions), Mumbai Indians (the fourth-ranked team in Pepsi IPL 2014), Northern Knights (New Zealand's domestic T20 champions) and Southern Express (Sri Lanka's domestic T20 champions) – pitted against each other.

After six matches, Lahore Lions and Northern Knights made it to the Group Stage, which began on 17 September 2014.

Lahore Lions were slotted in Group A, which also comprised Dolphins (winners of South Africa's domestic T20 competition), Perth Scorchers (Big Bash League winners), Kolkata Knight Riders (Pepsi IPL 2014 champions) and Chennai Super Kings (third-ranked team in Pepsi IPL 2014).

Northern Knights apart, Group B featured Hobart Hurricanes (Big Bash League runners-up), Barbados Tridents (domestic T20 champions in the West Indies), Kings XI Punjab (runners-up in Pepsi IPL 2014) and Cape Cobras (runners-up in South Africa's domestic T20 competition).

The first match of the Group Stage, played at Hyderabad on 17 September, featured the sides that eventually played the final. KKR beat CSK by three wickets, and went on to win their next three league matches as well, bagging sixteen points in the

process. They were joined in the semi-finals by Chennai Super Kings, who finished with ten points. On the last day of the league stage, there was a possibility of CSK being overtaken by Lahore Lions, if the latter were to beat Perth Scorchers by a large margin. However, Perth Scorchers won.

The other group was dominated by Kings XI Punjab, who stormed into the semi-finals with four wins out of four. They were followed by Hobart Hurricanes, who won three matches.

CSK beat Kings XI Punjab by 65 runs, and KKR outplayed Hobart Hurricanes by seven wickets, in the semi-finals, which were played back-to-back at Hyderabad on 2 October 2014.

KKR were the favourites going into the final, by virtue of their record of 14 consecutive victories, which included five matches in the Oppo CLT20 and nine in the Pepsi IPL 2014. However, their streak was ended by Chennai Super Kings.

Dhoni's side was presented the trophy and winners' cheque for USD 2,500,000 by Mr. Chris Nenzani, President, Cricket South Africa, and Mr. Sanjay Patel, Hon. Secretary, BCCI.

Suresh Raina is presented the Golden Bat by Mr. Shivlal Yadav, Interim President, BCCI.

FROM THE DESK OF THE TREASURER

Anirudh Chaudhry

Hon. Treasurer.

I am extremely thankful to the members of Board for electing me as the Hon. Treasurer at the last Annual General Meeting. It was decided that the Hon. Treasurer's Office would continue to function from Pune till March, 2014 and a back office set up would be created in Chennai so as to comply with the Tamil Nadu Societies Registration Act and Rules and orders that mandate the keeping the record at the Registered Office of the Society. The staff at Pune Office needs to be appreciated for their efficiency and maintenance of the records which helped in shifting the office from Pune to Chennai without wasting a single working day. The online payment portal and applications used by the office has afforded me the opportunity to process work from any location that I am camped at thereby aiding the treasury office reach unprecedented turnaround times.

During the year under consideration, the annual gross receipts for the year ended 31st March, 2014 from International tours are at ₹ 193 crores as against at ₹ 216 crores in the last year.

Gross receipts from IPL 2013 are ₹ 1194 crores as against ₹ 892 crores last year. This is because the receipts from IPL media rights income have gone up from ₹ 556 crores to ₹ 844 crores and the franchisee consideration has gone up marginally from ₹ 460 crores to ₹ 502 crores.

The rights income from Champions League has gone up from ₹ 279 crores last year to ₹ 327 crores in the current year.

Gross Media rights income has gone down substantially from ₹ 774 crores last year to ₹ 419 crores in the current year. This is mainly because of lesser number of International matches at home.

Receipt from ICC share of distribution remained at ₹ 33 crores.

There is a reasonable increase in interest income from ₹ 85 crores last year to ₹ 120 crores for the current year. This is mainly because of better treasury operations in getting better-negotiated interest rates for the short term deposits and efficiency of operations.

In the year under consideration, the expenses on cricketing operations went down marginally from ₹ 551 crores last year to ₹ 516 crores in the current year. The provision for gross revenue share payable to the players has gone down from ₹ 49 crores to ₹ 11 crores in the current year. This is because of the lesser media rights income.

From 2013-14, the Board decided that all the common expenses which are not allocable to any specific tournament would be apportioned on the basis of revenue generated by IPL, CLT20 and BCCI's International tours. This will reflect more accurately the income generated from these activities of Board.

In the year under consideration, the surplus of income over expenditure was ₹ 526 crores as against ₹ 319 crores in 2012-13, before any appropriation.

In the current financial year 2014-15 the budgeted surplus is estimated at ₹ 391 crores.

During the year four finance committee meetings were held.

The following decisions were taken during the year :

The Board awarded the Team Sponsorship contract for the period from 1st Jan 2014 till 31st March 2017 to M/s Star India Pvt. Ltd.

During the year, Board invoked the Bank Guarantee given by Sahara Adventure Sports Pvt. Ltd. (Pune Franchisee) to recover the balance franchisee consideration of ₹ 133 crores.

During the year, as per the order of Hon the Honourable Supreme Court of India, the three bankers of Nimbus, who had provided the Bank Guarantees of ₹ 1600 crores together and who had not honored the invocation of the Bank Guarantees by the Board and had challenged the invocation, paid ₹ 400 crores to Board against an undertaking from the Board that in case the decision goes against BCCI the said amount will be returned along with the applicable fixed deposit interest.

During the year our team won the ICC Champions Trophy and the Board awarded prize money of ₹ 1 crore to every playing member of the team and ₹ 30 lacs to every member of support staff.

ANTI-CORRUPTION UNIT

The BCCI has Zero-Tolerance approach towards corrupt activities in Cricket. To ensure that the game is well protected, BCCI took a major initiative in 2012, to form its own Anti-corruption Unit (ACU). The main objectives of the ACU are to put in place strong regulations and anti-corruption systems that would prevent corruption in Cricket and if someone was found to be indulging in corrupt practices, deal with such person(s) very sternly and hand out exemplary punishments.

While the ICC ACSU is mainly tasked with providing anti-corruption cover for all International Matches played between Full Member National Cricket Federations, it is the responsibility of the BCCI Anti-Corruption Unit to protect all domestic games played under the aegis of the BCCI, including IPL, CLT20, Ranji Trophy and all other similar tournaments.

The BCCI ACU is headed by Mr Ravi Sawani, a former IPS officer, who was earlier Head of ICC Anti-Corruption and Security Unit (ACSU) for over four years. He is assisted by a Senior Investigation Officer, a Regional Integrity Manager and an Information Manager.

The ACU in order to achieve its objectives is required to perform four major functions i.e. 1. Preventive Vigilance through Education; 2. Enforcement of all BCCI Codes and regulations, adopted to check corruption in Cricket; 3. Investigate breaches of Anti-Corruption Codes; and 4. Prosecute Participants before the BCCI Disciplinary Committee.

The most important step to protect the game is to impart competency based education to all participants to ensure that they are aware of the dangers of match-fixing and are provided sufficient knowledge to thwart any attempts to corrupt them. Towards this goal the BCCI ACU took up a massive exercise and travelled to each state and imparted a comprehensive Anti-Corruption Education Programme (ACEP) for Seniors, Under 25, Under 19, Under 16 and women players besides support staff. Participants were also given a pocket guide both in Hindi and English, detailing all the offences, all the Dos and Don'ts and advice on what to do if wrongly approached. In 2013 the Anti-Corruption Education Program was imparted to a total of 2562 participants. Similarly this year the exercise had already begun, and as of 15th September 2014, the BCCI ACU has imparted ACEP to 1471 participants. A break up of the participants for 2014 is given below:

The Anti-Corruption workshop for senior and junior cricketers of the Jharkhand State Cricket Association on 9 September 2014.

Consequent to the criminal cases booked by Mumbai and Delhi Police during IPL6, resulting in the arrest of three IPL players, the BCCI reviewed the measures in place and decided to further strengthen anti-corruption measures. Accordingly it was decided to appoint Integrity Officers with each of the participating teams in the Champions League and IPL. The measures paid good dividends. Both the CLT20 2013 and IPL7 2014 were played without any instances or attempts to corrupt the game.

The BCCI ACU also reviewed its Anti-Corruption Code and revised it to provide more teeth as also bring all participants including franchise owners under its ambit. The revised Code

came into effect from 2nd April 2014. Similarly the liabilities of the participants were revised and penalties enhanced for breaches of PMOA Minimum Standards. The players contracts were also amended to include strict liabilities and responsibilities for all Participants.
